2008 FALL  
CLASS DESCRIPTIONS

The NHPTV Knowledge Network offers a wide variety of technology-based workshops to New Hampshire teachers. Our curriculum based workshops are designed with the State Curriculum Frameworks in mind to give teachers real skills and resources that they can immediately use in the classroom. Our technology application workshops show educators ways they can effectively integrate technology into the curriculum.

*We offer three options for training!*

**Sign Up for a Scheduled Class**

Teachers can register for one of our scheduled classes listed in this brochure. These classes are held at New Hampshire Public Television in our Technology Learning Lab. Classes run from 9:00 a.m. to 3:00 p.m. and are \$75, with lunch included.

**Book Our Learning Lab**

Schools and school districts can book our Learning Lab and schedule a workshop for up to 14 teachers. You can select a workshop from those offered or we can design one to meet your specific needs. The cost for booking the Lab is \$350.00, with lunch included. That's a savings of \$700! Workshops can be booked Monday-Saturday.

Workshops are held at NHPTV  
268 Mast Rd., Durham NH

**10/7 Driving on the Information Highway –  
What Every Teacher and Student Needs to  
Know!**

Discover the skills needed to successfully use the Internet for research in the classroom and develop strategies and activities to help students use the Internet more effectively.

**10/20 or 10/24 - If You Knew Google**

Come and learn more about some of the extra tools available from Google and discover some easy search strategies to help you quickly locate quality educational resources.

**10/28 or 11/7 - I Want My Web TV**

There are more and more sites posting free video on the web. This session will focus on some of the sources for free video that can be used in the K-12 classroom and look at ways to integrate online video into teaching and learning.

**11/14 - The Good, The Bad, and The Ugly:  
Research on the Web**

Today's student is increasingly using the Internet for research, but some of the sources they are using are questionable. This session will look at way educators can help students learn to carefully and critically evaluate Internet sources when they are doing research.

**Registration Form**

**Registration** must be accompanied by full payment. You may pay by check, credit card, or purchase order. If paying by purchase order, please call to confirm your registration.

**Cancellations -** If a class needs to be cancelled due to weather or low enrollment numbers, we will make every effort to contact participants by phone or e-mail. Cancellations will be also posted by 6 a.m. on the day of the class at [www.nhptv.org/kn/workshops](http://www.nhptv.org/kn/workshops).

**Directions to NHPTV**
